

SOCIETY FOR HISTOCHEMISTRY

NEWSLETTER 2019

www.histochemistry.eu

Dear Members of the Society,

It is our great pleasure to update you with our future activities of the Society for Histochemistry.

In this newsletter, we bring you information on the latest Robert Feulgen Lecture Speaker, who spoke at the COST workshop "Nuclear Architecture, Lipids, and Phase Separation".

Most importantly, we bring you information on the 16th International Congress of Histochemistry and Cytochemistry, which will take place on 30 August – 2 September 2020 in Prague, Czech Republic.

Klara Weipoltshammer & Pavel Hozak

President

Secretary

Society for Histochemistry News

The Society of Histochemistry will host the next International Congress of Histochemistry and Cytochemistry in Prague, Sept. 2020 (ICHC 2020). Therefore, this year's activities of the Society consisted only of one, albeit scientifically top-level presentation in the context of the COST workshop "Nuclear Architecture, Lipids, and Phase Separation" held on Oct 24th and 25th at the Institute of Experimental Medicine in Prague.

Toyoshi Fujimoto, Nagoya University Graduate School of Medicine, presented his research as 2019-Robert Feulgen Lecture; entitled "Nuclear lipid droplets in mammalian cells".

More information about the COST workshop "Nuclear Architecture, Lipids, and Phase Separation" can be found here: <http://www.eurocellnet.eu/workshop2019/>

For more information on activities of the Society for Histochemistry, please visit: www.histochemistry.eu

INTERNATIONAL CONGRESS OF HISTOCHEMISTRY AND CYTOCHEMISTRY in Prague

It is our great pleasure to extend a warm invitation to everyone to attend what is sure to be a memorable conference. There will be, as usual, emphasis on supporting our younger conferees. We hope to welcome you to Prague and the great ICHC 2020!

16th International Congress of Histochemistry and Cytochemistry

30 August – 2 September 2020, Prague, Czech Republic

The main goal of ICHC 2020 is to bring the worldwide histochemists together and provide an environment for close cooperation, exchange of information and collaborations.

For more information about ICHC 2020, please visit: <http://ichc2020.com/>

**ICHC 2020 Conference Venue -
Cubex Centre Prague**

Main topics

- *Emerging techniques and probes in microscopy immunohistochemistry*
- *Metabolic mapping*
- *Histopathology and quantitative approaches*
- *Nanotechnology in biology and medicine*
- *Progressive light and electron microscopy methods*
- *Advances in sample processing for microscopy*
- *Molecular structure of the cell nucleus and cytoplasm*
- *Cellular adhesion and extracellular matrix*
- *Cell physiology and signalling*
- *Imaging proteomics*
- *Cell regulation, differentiation and developmental biology*
- *Neuroscience*
- *Cancer biology*
- *Stem cell biology and regenerative medicine*
- *Glycobiology*

MEMBERSHIP ISSUES & INFORMATION ON FEES

[PLEASE CLICK ON THE LINK AND UPDATE YOUR MEMBERSHIP DATA
INTO A SFH MEMBERSHIP DATABASE](#)

Member Fees:

- Full members: 40 EUR
- Emeritus/Retired members: 10 EUR

Term of Payment: Fees are due to 30th of September of each year!

Methods of Payment:

- Members having an account with a bank residing in Germany:

Money transfer directly to the following account:

Kontonummer: 159 313 600

Kreditinstitut: Deutsche Bank, Tübingen, Germany

BLZ (Bankleitzahl): 640 700 24

- Members from other European countries or members outside Europe:

Money transfer directly to the following account:

Society for Histochemistry/Gesellschaft für Histochemie

Credit Institute: Deutsche Bank, Tübingen, Germany

IBAN: DE57 640 700 240 159 313 600

BIC (SWIFT): DEUT DE DB640

- You can also pay your membership on your membership account via the link above by debit/credit card

Please make also sure that all bank transfer costs are charged to the sender.

Please do not forget to state your name and SFH Fees for the year "20.."

For further information please contact the treasurer of the Society at:

fees@histochemistry.eu

FURTHER INFORMATION ON THE SOCIETY FOR HISTOCHEMISTRY

Board of the Society for Histochemistry:

You may contact the board by a group e-mail info@histochemistry.eu, directly at the annual meetings or via their personal e-mails:

Prof. Dr. Klara Weipoltshammer, *president* - klara.weipoltshammer@meduniwien.ac.at

Prof. Dr. Pavel Hozák, *secretary* - hozak@img.cas.cz

Prof. Dr. Marco Biggiogera, temporary treasurer and *member* - marco.biggiogera@unipv.it

Benefits for members:

1. Prestigious prizes, awards and stipends as well as competitive student packages for attending symposia of the Society.
2. Personal subscription to the Society's official "Histochemistry and Cell Biology" at only ten percent of the regular rate. Based on the ISI-impact factor, "Histochemistry and Cell Biology" is the leading journal in the field.
3. Interactions with senior scientists resulting in multiple career opportunities. Selected top scientists in the field can be met and contacts and discussions with them are encouraged in the informal atmosphere of the symposia.
4. Symposia are conveniently scheduled (usually in September) at reasonable prices.
5. Besides oral presentations by top scientists in the field, the program of the symposia allows for selected presentations on the basis of submitted abstracts.
6. "Free communications" and presentation of posters receive ample attention at the symposia and are considered to be important elements of the symposia.
7. Access to the "members only" section of the Society's highly informative homepage (www.histochemistry.eu).
8. Annual Newsletter for members only.
9. An annual membership fee of only 40 EUR, which entitles a 40 EUR reduction of the registration fee for the symposia of the Society.
